THIRD REQUEST FOR INITIALED 1449 FORM

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Reference A34 on the 1449 Form that accompanied the original Information Disclosure Statement appears to have been inadvertently not initialed. Applicants have twice resubmitted the 1449 Form and have requested that the Examiner initial reference A34. In response to each request, the Examiner has returned the 1449 Form without initialing the reference. Since no explanation was given as to why the Examiner has not initialed the reference, Applicants suspect

that a clerical error has occurred, perhaps due to the fact that some of the references on the submitted 1449 Form were shown to be initialed. To remove any confusion, Applicants are submitting herewith a "clean" 1449 Form showing only reference A34 at Tab A. No fees or statements under 37 C.F.R. § 1.97 are needed, as this reference was properly cited in the original Information Disclosure Statement. Applicants respectfully request that the Examiner initial this reference on the 1449 Form and return a copy of the initialed 1449 Form to Applicants.

Dated: March 28, 2005

Respectfully submitted,

Joseph F. Hetz
